

German B.A.

Curriculum Map

	<p>1. competency in speaking, writing, listening, and reading German</p> <p>(as demonstrated by successful completion of an internationally recognized standard German exam administered by the Goethe Institute, or by the successful completion of course work preparatory to taking that exam).</p>	<p>2. knowledge and critical understanding of the literature, culture, society, and history of the German-speaking countries and of foreign language pedagogy</p> <p>(as demonstrated by successful completion of intermediate and advanced courses in literature and cultural history).</p>	<p>3. Application of knowledge and critical understanding of German-speaking literature, culture, society, history, and foreign-language pedagogy, to the individual student's personal and professional plans</p> <p>(as demonstrated by appropriate coursework, travel and study abroad, participation in group activities, or teacher-guided individual projects, such as mastering elements of business German, applying for internships, or acquiring teaching practice. Since this learning outcome is a matter of personal decision and orientation, it will also be measured by a statement of objectives at the beginning of German study and an interview near the end.)</p>
