

Process for the Review of Academic Assessment Plans (PRAAP) & Program Review Schedule

The goals of PRAAP are to support academic programs in enhancing program quality and guide academic decision making at Illinois State University. PRAAP is part of a cycle of continuous improvement.

- The Assessment Advisory Council ([AAC](#)) is responsible for the review of academic assessment plans and annual updates. Assessment plans and annual assessment updates are included in your program review self-study.
- The Academic Planning Committee ([APC](#)) is responsible for the review of program review self-studies and other documents.
